

## Dance and Non - Verbal Theatre Festival San Vincenti

**Dance and Non – Verbal Theatre Festival San Vincenti will be dancing again.**

Its 17th edition will be held from July 22nd to 25th!

During the Festival days we offer three days workshops for professional dancers in Mediterranean dance centre.

**Where:** Mediterranean dance centre, San Vincenti, Croatia

**When:** 22. – 24.7.2016.

**Francisco Cordóva will teach Body – Action / Movement – Relation workshop.**

Body-Action / Movement-Relation is a training programme based on the construction of physical actions. It encourages participants to move through a common language and not through dance codes. It breaks down and decodes established and predetermined dance languages. The workshop is a representation of control and physical intuition. Its purpose is to cause states: physical, mental and even emotional, all through physicality. It guides the participant to find the truth in his body and to contact with his own way of moving, assuming information through the will of intuition. The class is about experiential knowledge.

**Lucy Marinkovich will teach Creative workshop: Interior Reconstructions**

This workshop is addressed to dance professionals and newcomers interested in the practice of movement making in response to given external stimuli.

A series of choreographic tasks and provocations will be proposed concerning the topic of bodily organs, which we will investigate through dance, text, drawing and shared dialogue.

The practice of devising movement will be viewed as a personal process that requires active engagement with your specific individual history, memories, ideas, and values.

The creation of movement will therefore be looked upon as an investigation of interiority. We will work individually, in pairs, and as a group to deconstruct phrase material, salvage the "best bits", and find alternative physical offers. This workshop is process orientated. Create, throw away.

**To register** please send an e-mail to: [koraljka@zagrebackiplesniansambl.hr](mailto:koraljka@zagrebackiplesniansambl.hr)

When applying / sending an e-mail, please send the following data:
